Team activity | Banff Gondola

Step 1:

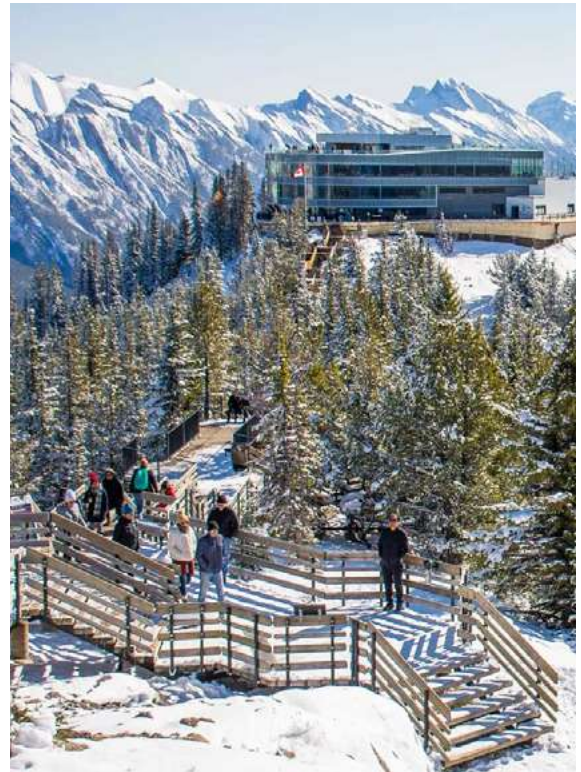

Gondola Base

Your adventure starts here. Fuel up with a coffee from Starbucks, satisfy your sweet tooth with a treat from the candy store or pick-out that perfect memento to bring home from the gift shop.

Step 2:

Banff Gondola Ride

Soar 698 metres (2,292 feet) on an 8-minute journey to the summit of Sulphur Mountain. Glide over the treetops and arrive at a jaw-dropping mountaintop experience.

Team activity | Banff Gondola

Step 3:

Banff Gondola Summit

There's no shortage of fun in our state-of-the-art summit building. With interactive interpretive exhibits, and a breathtaking 360-degree rooftop observation deck, the Banff Gondola summit heightens every sense.

With six stunning mountain ranges and the sweep of the Bow Valley before you, views from the Sulphur Mountain summit are nothing short of breathtaking.

Team activity | Banff Gondola

Step 4

Sulphur Mountain Boardwalk

Several scenic hiking trails lead away from the summit complex. One of the most popular is the self-guided interpretive Sulphur Mountain Boardwalk to Sanson's Peak. More adventurous hikers will want to try the South East Ridge Trail — a route that runs along the ridge of the mountain to the south, taking you to Sulphur Mountain's true summit.

Dinner party

Eden Restaurant

AAA Five Diamond award winning restaurant is an exquisite dining experience, offering French cuisine with regional accents. This restaurant provides each guest with the finest in dining, service and scenic views in Banff.
